Event Postponement Announcement Due to Risk Analyses and Police Capacity Constraints

Dear Valued Visitors,

It is with a heavy heart that we must announce the postponement of our upcoming fireworks event at 22-06-2024. After careful consideration and extensive risk analyses conducted by local authorities, it has been determined that the current circumstances require us to reschedule. The planned upscaling in surrounding big cities due to the European Championship football has led to a significant strain on police capacity, impacting our ability to ensure the safety and security of our attendees in case of an emergency.

Key Points:

- 1. Reason for Postponement:** The decision to postpone is based on thorough risk analyses and the lack of sufficient police capacity to manage any potential emergencies. The safety of our visitors is our utmost priority.
- 2. New Event Date:** Our organization is committed to rescheduling the event. We will work tirelessly to find a suitable new date and/or location. We aim to announce this within the next three months.
- 3. Ticket Repayment:** If we are unable to secure a new date within the specified timeframe, we will initiate the repayment process for all tickets purchased.

We understand that this announcement is difficult and frustrating for all involved. We sincerely apologize for any inconvenience caused and ask for your patience and support as we navigate this challenging situation. Our team is dedicated to ensuring that the rescheduled event will be a safe and enjoyable experience for everyone.

Thank you for your understanding and continued support. We are optimistic that, with your cooperation, we will be able to overcome these challenges and deliver an event that meets your expectations.
